If the sum available is at any time more than sufficient to make up the deficiency to which it has been applied, the surplus thus accruing shall be paid into the Bangalore District Treasury with the instalment of the month in which such surplus was realised.

(C) In case of default in the payment of any of the instalments as aforesaid up to the 15th of the month following that for which it is due, interest at 6 per cent per annum shall be payable in addition ; and with the sanction of Government, it shall be lawful, for the Excise Commissioner, to declare the deposit forfeited, to order the contract to be taken under Government management, or to declare the lease forfeited and to dispose of it otherwise at the contractor's risk and loss, and further to recover all arrears together with the loss of revenue entailed on Government by such disposal, by the attachment and sale of his property, personal or real, including cash at Wholesale Depôts, in accordance with the rules relating to the recovery of arrears of land revenue.

IV. The Excise Commissioner or Deputy Commissioner of each district, shall be at liberty on good and valid grounds existing therefor, to make any alterations in the number and localities of the shops that he may from time to time consider necessary, or to close any shop without any claims for compensation on the part of the contractor.

Powdered ganja to the extent of 5 per cent only shall be taken by the vendors. Such powdered ganja may be made up by the retail vendors into *halva*.
